Experience

Store Manager / Lead Key Holder
Kirkland's

Nov 2021 - Aug 2022 (10 months)

As the Store Manager at the Bloomingdale location, I was in charge of day to day operations, personnel management, task designation, store logistics, and sales direction.
As the Lead Key Holder at the Algonquin location, I was tasked with carrying out big picture projects throughout the store. These tasks included merchandise resets, following planogram details to match marketing expectations, and carried out sales goals.

Omni Channel Fulfillment
Kohl's

Apr 2021 - Oct 2021 (7 months)

I was responsible for fulfilling online orders and delivering them on time. The types of orders included curbside pickup, Buy Online Pickup In Store, and shipping orders. I was highly effective in delivering these orders on time.

Audio Visual Technician
Northern Michigan University

Dec 2019 - Mar 2020 (4 months)

I was tasked with responding to calls from faculty and solving their technical issues in a timely manner. I was also responsible for setup and teardown of various school events, and ensuring a smooth experience for school clubs hosting in the designated rooms.

Digital Activations Coordinator
National Gift Card

Nov 2018 - Aug 2019 (10 months)

Part of a two person team, I fulfilled electronic gift card orders for various schools, hospitals, marketing agencies, and nonprofits using our own proprietary software and various API's.

Education

Northwestern University
Professional Certificate, Full Stack Web Development

2022 - 2022
The 3 month Full Stack bootcamp covers all aspects of web development.
